

Commitment Form Companion in Mission

Capuchin Outreach Program 2018

I would like to join the young people of our community in their service to those in need in the Hudson Valley Area as a Companion in Mission. Although I am not able to *give by going*, I would like to *go by giving!* I promise to:

- Pay closer attention to what I read or hear in the news about children and families in need
- Keep team members in my thoughts and prayers as they prepare for and engage in service to those in need
- Make a financial commitment so that their Service Project experience can be possible.
